RE: FCC 471 Application 181003837

JACY2018471I

To Whom It May Concern:

This letter requests a waiver on the filing of our FCC Form 471, which form has been rejected by the USAC for being filed outside the filing window. Jubilee Academic Academy seeks relief so that the application can be resubmitted, reviewed and considered for funding during the 2018 school year. The school does so per the directives of Customer Service Case # 23197 concerning Topic "FCC Form 471-Other."

Jubilee Academic Academy missed the window (closed on 03/22/18 @ 11:59 EDT) due to technical difficulties with the connection survey required by USAC. The resolution of these technical problems led the school to miss its application deadline. Case #232079 was resolved and all connection surveys we submitted to USAC allowing Jubilee Academies to submit and certify 471 application #

The school respectfully requests a waiver so that the financial support for Internet Services can be obtained for the 2018 school year.

Respectfully,
